Re: **Freedom of Information Act Request**  
**Port Access Road Project—Charleston, South Carolina**

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, the undersigned respectfully requests that the documents as defined and described below be made available for inspection and copying.

As utilized in this Freedom of Information Act request, the word “Document” shall mean any written, printed, typed or other graphic matter of any kind or nature however produced or reproduced, whether sent or received or neither, including all drafts, copies, billings, notations not found on the original, and includes, but is not limited to, all memorandums, reports, financial reports, notes, agendas, writings, text, transcripts, letters, envelopes, telegrams, cables, telex messages, messages (including reports), notes, notations, memoranda of or relating to any telephone conversations and conferences, tabulations, studies, analyses, evaluations, projections, estimates, work papers, statements, summaries, opinions, journals, statistical records, desk calendars, appointment books, diaries, list comparisons, questionnaires, forms, interview reports, e-mails, summaries, surveys, charts, drafts, schedules, minutes or transcriptions of all meeting and all communications of any type, all photographs, microfilms, videos, films, photographs, tape, tape recordings, computer tapes, including CAD tapes and computer data storage format, and all other recordings and mechanical reproductions from which information can be obtained.

As utilized in this Freedom of Information Act request, “Project” shall mean and refer to the Port Access Road Project on I-26 in Charleston, South Carolina.

As utilized in this Freedom of Information Act request, “EPA” shall mean and refer to the Region 4 of the Environmental Protection Agency.

The Documents requested are as follows:

Documents that were provided to and/or are in the possession of the EPA related to the following:

- (1) Documents relating to the Solvay phoshogypsum stack at the Project as referenced in the RFP for the Project, excluding the following:
- a. DHEC Part 70 Air Quality Permit, Issued April 29, 2008;
  - b. January 15, 2013 Completeness Determination of Part 70 Air Quality Permit Application issued to Rhodia, Inc. (Permit No. 0560-0011); and
  - c. DHEC Hazardous Waste Permit Number SCD 003-368-389, issued September 25, 2014.

We would appreciate you advising us in advance if your anticipated fees exceed \$250.00.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

HARPER, LAMBERT & BROWN, P.A.

N. Ward Lambert
